" I am extremely grateful for your help and fast assistance within 24 hours to fund this deal. I am amazed how simple and accurate was the process right after I paid your fee.

**This kind of assistance is the one we all Real Estate Investors want and look for it.
- Javier A. Bengoa, Real Estate Investor, FL**

"I did the POF on the Site, it looks great... Unlike other companies, you guys are actually thinking of the investor, and don't have transactional funding in big letters on the POF. It really looks great... We are going to use this letter/ your company for the transaction...

**The service you provide is awesome, it lets an investor with zero capital close deals. Between having an escape clause in the contract, and having you guys provide the funding, there should be absolutely nothing holding back any investor, new or veteran... and now that I know you offer referral fees, I will start trying to refer people to you." -
Mike Overstreet, Real Estate Investor, Queens, NY**

"We have lined up a new end lender and should be funded by the end of the month. I will keep you updated on the progress next week... Thanks for your patience! You guys are awesome." - Gary L., Real Estate Investor, MI

"I want to thank your staff for a fantastic job pulling off a funding request with a one day turn around. I requested funding on a Wednesday and with minimal documentation requested you funded my back to back deal on Thursday. Your staff and I communicated only once but your staff coordinated everything else with the title company to make sure we had a successful closing... Thanks again. I plan on working with you guys again."

- John B., Real Estate Investor, PA

"I've just tried your service and I think this POF letter rocks. Great service. Thank you!"

- Erin L., Real Estate Investor, CA

"I must say that I am a very satisfied customer. We closed the deal without a hitch! You were honest and stuck to your word, funding the deal at an incredible rate of only 1.75%. The service was fast and we had an open line of communication throughout the entire transaction. Most of all, I like the fact that you were remarkably personable; you made me feel at ease right from the beginning after our first conversation.

I would recommend your service to anyone looking for a fast, easy and secure transactional funding. I will be sure to refer my peers to use your funding. I feel you are very generous offering a 10% referral on an already discounted service."

You each deserve high marks for your wonderfully quick response time to each of our questions and requests! You hit home runs with us! Your application system was easy to use. Our deal met your qualifications and every time Rob Kozak or any member of Mystic Properties, LLC phoned, we received a "real" person dialing back to speak with us.

Your patience and persistence were exceptional in dealing with our business interests. Thank you for such great customer service! We look forward to working with your staff, again, in the future. We like referring people to you, as us, our team would have missed-out on an excellent earning opportunity.

Your help negotiating with our title company made our back-to-back deal, finally

happen. People noticed on settlement day how effectively and efficiently your part of the transaction was organized and executed. Again, thank you for truthfully being the "BEST" at what you do!

Just wanting to share my experience and appreciation with Best Transactional Funding for the services and education that you provide to real estate Entrepreneurs, it is truly priceless!

....a few months back, I happened upon a video, on your site, regarding the use of transactional funding with Hud properties; and I found myself replaying the video over and over because of the value that I saw in the message...it actually explained the process, step-by-step on how to submit a Hud deal by using transactional funding. Once I completed the video, my initial response was to take immediate action by duplicating what I had learned from the video into real time. So I did some research on properties in a market where I knew I had buyers; and put together a hud deal. I then located a realtor able and willing to submit my bid online and within a couple of days, to my surprise, received a call telling me that I had won – my very 1st Hud bid.

To you I say, "KUDOS to Best Transactional Funding and Thank you for providing the education and services to Real Estate Entrepreneurs like me. Please keep up the good work!"

Sincerely, - T. A. Davis, Investor, NJ

"I was studying on how transactional funding works and you guys had the best and most thorough explanations posted so I could fully understand the details in back to back closing. I'd already started setting everything up but your video confirmed that I'm on the right track." - La'Donna Turnipseed-Scott, Investor, LA

"We want to thank you for the exceptional customer service you provided. No one comes close. We had contacted a competitor the same time we contacted your company. Your company responded with in a few minutes while the competitor has yet to respond weeks later even after multiple phone calls and emails. Thanks again for the unmatched customer service."

"We had looked into several transaction lenders for a couple properties we were trying to flip. Your company was the most responsive and had the best pricing. Even though we had logistics issues with the B/C lender, your company acted very professionally and handled our requests beyond our expectations."

"Thank you for your commitment to an excellent customer experience." - Phoenix Properties, LLC, Ronald Destefani, Investor, PA

"Thank you so much! I just had a talk with our Realtor on both properties and told him amazing things about your company!... Normally I rehab the houses and resells them. I just don't have the patience for that work anymore. This [transactional funding] is such a better way for me and less stress." - Steven Kupecz,
Real Estate Investor, TN
